(hereinafter referred to as "**Global**") warrants to Buyer that the G-MAD™ Wind Deflector (hereinafter referred to as "**Product**") manufactured by Global will be free of defects which are not commercially acceptable in material and workmanship for a period of five (5) years from date of delivery provided that the Product has been properly installed and operated under normal conditions.

(b) This warranty is void and of no effect and Global shall not be liable for any breach of warranty, express or implied, if the Product or any part or component thereof shall have been repaired or altered by persons other than Global unless expressly authorized in writing by Global, or if the Product is installed or operated contrary to Global's instruction or subjected to misuse, negligence or accident.
